Summary: The North Hills West Neighborhood Council supports and concurs with the City Council Motion that the Emergency Management Department be instructed, with assistance from any other relevant departments, to report back within 30 days with an overview of existing plans to manage weather-related emergencies with distributed impacts across the City, in addition to lessons learned from the January 2023 storms and corresponding adjustments that will be made, a clear delineation of responsibilities for preparing for and responding after an emergency, and an identification of channels for the communication of critical safety information between City departments, Council offices, and residents. Approved at the North Hills West Neighborhood Council General Board Meeting of March 16, 2023.
